CRESCENDO C1S Product Sheet

If you're searching for visual impact, look no further.

Designed to meet the demanding needs of premium brands, Crescendo C1S paperboard features high brightness, clean white styling and a smooth surface. All of which are hallmarks of exceptional visual impact. But this premium paperboard's appeal goes much deeper. Crescendo C1S owns a reputation for outstanding runnability, printability, and on-press consistency through converting.
