

MetsaBoard Pro FBB Bright

- MetsäBoard Pro FBB Bright is a fully coated bleached paperboard with white back
- Lightweight and stiff multipurpose board
- Thanks to its high brightness on top and reverse MetsäBoard Pro FBB Bright provides an ideal base for special finishing effects. It has excellent sensory properties for sensitive premium products and it is approved for direct food contact: chocolate and confectionery, food pharma and healthcare, beautycare, wine and spirits, consumer electronics, graphic applications, point-of-sales materials
- Suitable for offset, gravure, flexo and digital printing
